Subject RE: Update from yesterday's call

Tami,

I just heard from Mr. King that Jack Hobson ('TPCRPR@' and Nondalton TC president and closest to Pebble) and Linda at Levelock (the tribal administrator) had heard nothing of EPA's visit.

I noticed that when I emailed the map to everyone on your email list, the following all bounced back because of a restriction on the number of addressees:

'tildenthomas@'; 'TPCRPR@'; 'utvenv@';
'togiakenviromental@'; 'tuyuryak@';
'sofialenette@'; 'renekka@';
'pvl_environmental@'; 'yantarnibay@';
'sflensburg@'; 'sflensburg@'; 'shirley_andrew@';
'wassilliera4@'; 'ronwassillie@'; 'planner@dillinghamak.us'

I had to resend to all those individuals as a separate group to avoid the server's limit on the number of addressees.

You might want to check your email for undelivered messages.

No, I meant Dillingham - sorry for the confusion.

Thanks, Rick.

Tami and Rick,

Is there going to be a tribal governments meeting in Anchorage? See what I colored red below.

Good Afternoon!

You have seen the message about the revised itinerary. I wanted to let you know that EPA will not be meeting with Pebble in Dillingham. EPA will hold this meeting in Anchorage. Thank you for your suggestions yesterday.

If you want to have another planning call, we could talk on Wednesday at 130PM, code #. That will allow us to go over any last minute details.

I will have another call with the tribal governments who decide to travel into Anchorage so that we can discuss the tribal leaders meeting.

The last hour of the meeting is a focused meeting where Nunamta, the Lake & Peninsula Borough, Bristol Bay Borough, BBNC, and the City of Dillingham would be able to share their perspectives on the proposed Pebble project. I will be sending the invitations on Monday.

Thank you for your assistance in planning the day in Dillingham.

Have a great weekend.

Sincerely,
Tami
